

Mrs Mercedes (May) Iglesias Gaza

Parent Governor

My name is May Iglesias Gaza. I have three children and my youngest daughter Mayumi is in Year 3. We chose to enrol her in St. Lawrence because we heard wonderful things from our friends whose children also attended here. Our older sons, now grown up, attended catholic schools in Hounslow where we used to live.

I am currently a skills tutor at Hounslow Adult Community Education where I teach jewellery making since last year. I also have a small handmade jewellery business as well as work as a church singer & musician mainly for funerals and weddings. I have a background in marketing in my previous life before moving to the UK.

I have been involved in the music ministry in my previous parish in Hounslow since 2010. I am currently helping lead the music for the 5 PM Saturday mass and for the monthly Filipino Community mass at St. Lawrence Church. I also help provide the music for the parish's special Mass for Seniors.

In my role as Parent Governor and Chair of the Admissions committee, as well as my roles as a member of the Curriculum and Standards Committee and as a SEND Governor, I hope I can use my various skills to support our School.
