

### **Tom Gallahue - Joint Chair of Governors**

As a dedicated co-chair of governors for St. Lawrence Catholic Primary School, now in my second year, I have found inspiration in the exemplary leadership and committed staff at the heart of our educational community. With a rich background as a secondary teacher in the borough for 18 years, I bring a wealth of experience to my role, understanding the intricate dynamics of education. Beyond the school gates, I proudly serve as the joint district and branch secretary of the National Education Union in Hounslow, advocating for the rights and welfare of educators. With a passion for fostering positive learning environments, I am deeply invested in the success of St. Lawrence, ensuring it continues to be a nurturing space for both students and staff alike.
