Dear Parents/Guardians,

We are excited to announce an upcoming Times Table Rockstars Competition for Year 5 and Year 6 pupils across our schools in the Hounslow Catholic Primary Partnership (HCPP).

As part of this partnership, our schools work closely together, with senior leaders meeting every half term to discuss collective ideas and resolve any challenges that may arise. Class teachers also meet once a year for writing moderation and to share best practices. Now, we are looking to extend and strengthen this partnership by introducing a series of inter-school competitions for our pupils, starting with a Times Table Rockstars competition.

Your child is invited to take part in this exciting competition, which will run during the first week back after half term. The competition will start at 8am on Monday, 4th November and finish at 5:30pm on Friday, 8th November. It is a fantastic opportunity for students to practice their times tables, engage in some friendly competition, and represent their school.

The winning school will be invited to a special prize-giving ceremony at St. Mary's Catholic Primary School in Chiswick, where the top-scoring school will be awarded a trophy, and we will celebrate their achievements together.

This is the first of many events we have planned to help bring our partnership schools closer, and we are very excited to get started. We encourage all Year 5 and Year 6 pupils to participate and give their best effort.

Best of luck to all participants – and may the best school win!

Kind regards,

Mr J O'Reilly
Deputy Headteacher
St Mary's Catholic Primary School, Chiswick
