STAGES 1 - 10

Our library of engaging decodable stories use the unique colour-coded system to improve accessibility and accelerate learning to read. Stages 1 to 10 take children on a journey from beginner reader to fluency. The first 5 stages from Stage 1 to Stage 3.2 include optional text for an adult read to add further context and engagement to the earliest decodable books.

The stages and books in dark grey are the ones your child has access to.

Fiction

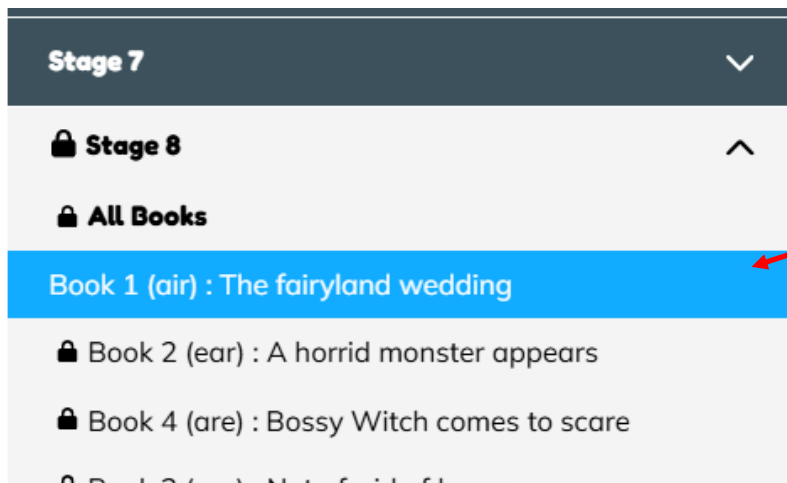

STAGES 1 - 10

Our library of engaging decodable stories use the unique colour-coded system to improve accessibility and accelerate learning to read. Stages 1 to 10 take children on a journey from beginner reader to fluency. The first 5 stages from Stage 1 to Stage 3.2 include optional text for an adult read to add further context and engagement to the earliest decodable books.

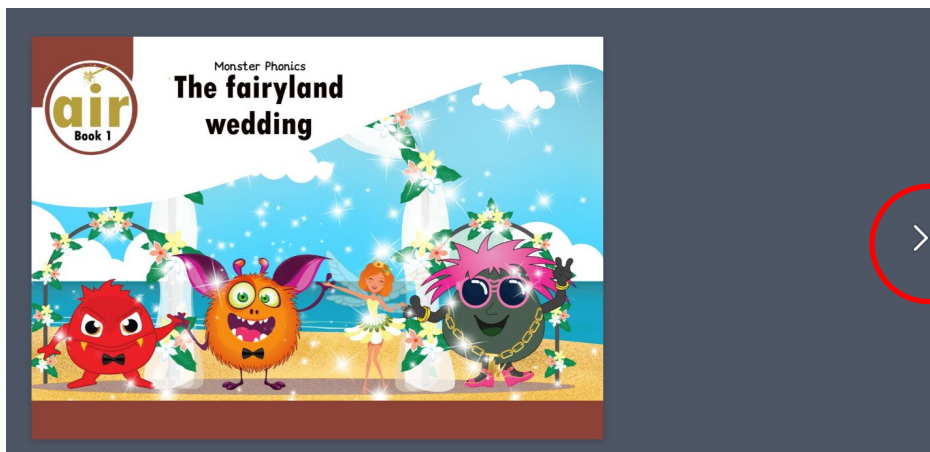

The book in dark grey furthest down the list is the latest book they can read.

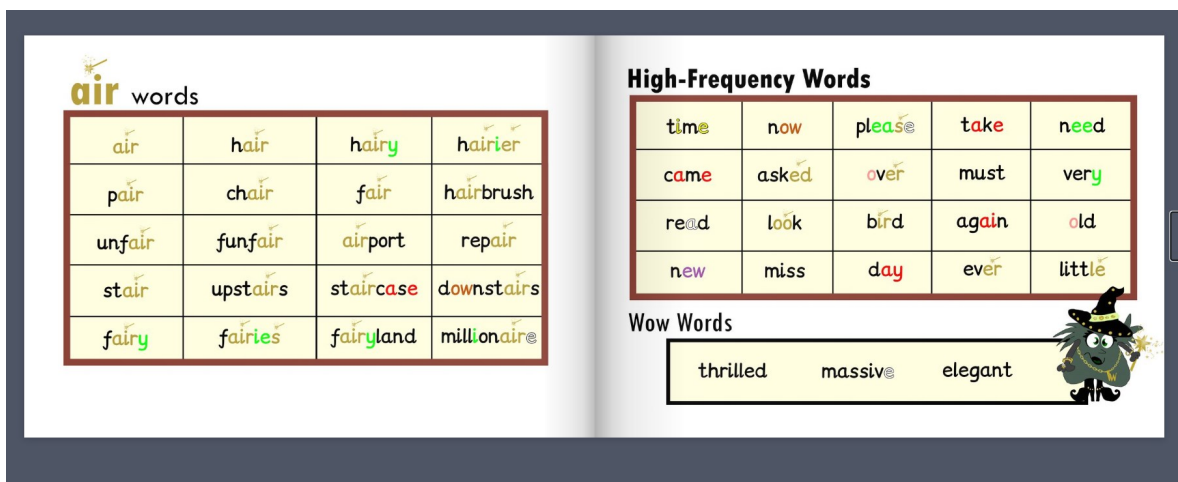

If there is no new book unlocked, it may mean your child is not ready for the next book. They can re-read the same one.

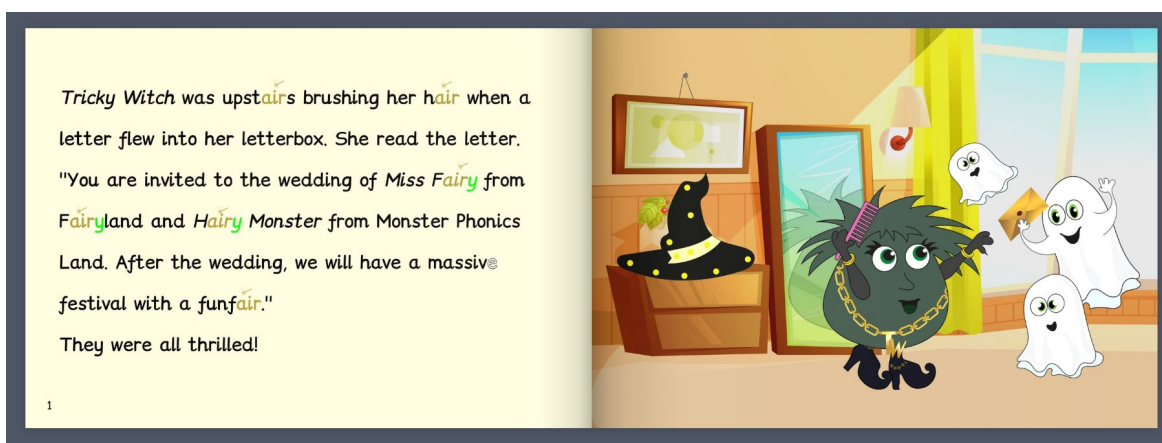

Click on the latest book.

Use the arrow to turn the pages.

Practise the focus words before reading.

Read the book.
